Afton Fair Community Support Request

The Gillette Midway is back at the 2017 Afton Fair!

The Fair Board of Directors needs your support to provide a wide variety of exhibits, events, entertainment and opportunities.

This year will include two new attractions; First Bite - a Catch and Release Fish Tank and Parkour, the sport of moving rapidly through an area, negotiating obstacles by running, jumping, and climbing. Professional demonstrations will be performed on the Parkour Obstacle Course 3 times each day.

Your support or sponsorship allows individuals and families to share the experience of an old fashioned agricultural fair while highlighting your engagement in the community. On the back is a list of sponsor options and the advertising benefits available for each sponsor level.

Please complete the form below and return with your contribution to the Fair Office by April 25, 2017 for inclusion in the Fair Promotional Flyer and other advertising.

Please Print

Date _____ Amount \$ _____ Check # _____

Sponsor Name to be used _____

Contact Name _____ Phone _____

Contact E-mail _____ Webpage _____
